Temporary Protected Status Designated Country: Nepal

i ALERT: After reviewing country conditions and consulting with the appropriate U.S. government agencies, Secretary of Homeland Security Kristi Noem determined that Nepal no longer met the conditions for its designation for Temporary Protected Status (TPS). See Termination of the Designation of Nepal for Temporary Protected Status, 90 Fed. Reg 24151 (June 6, 2025). Nepal’s TPS designation and related benefits terminated on Aug. 5, 2025. However, on Dec. 31, 2025, a single judge in the U.S. Northern District of California issued an order vacating the Secretary’s TPS termination decision. *National TPS Alliance et al. v. Noem et al.*, No. 25-cv-05687-TLT (N.D. Cal.). The judge did so even though the Department of Homeland Security recently prevailed twice in the U.S. Supreme Court in a similar case. The Department of Homeland Security vehemently disagrees with this order and is working with Department of Justice to determine next steps.
